The Board will also provide a charity of their choice and if their charity is chosen, that Board member will work with Rebecca in the promoting the charity event.

H. Website:
1. Dan Noonan provide his Board report as an attachment through email prior to the meeting. The Board reviewed the report. Dan began an inventory of what’s going on with the website. Looking at items such as; how much are we paying for the web hosting, the added features we’ve paid in the past and the status of the development of the features. Dan will investigate other Chapter sites; registrations, memberships list and create a ‘wish list’ for the web host. Jim mentioned some of the functionality that was noted issues should be resolved as a starting point. The Twin Cities and St. Louis Chapters are good websites to visit. Yvonne suggested setting up a teleconference call with InfoServe- our web host, to include Dan, Jim, Mike P. and Cathy. The purpose of the call is to first introduce Dan as our new Web Administrator and to have a discussion regarding the issues we’ve experienced and a game plan on resolving the issues.
